State Education Policy: (I to VI Semester)

The Karnataka Government decided to revert to the three year degree programme for the Academic year 2024-25, following concerns raised by students & colleges regarding the feasibility of the four year degree programme. Value education, industry interaction & departmental autonomy for diverse & relevant curricular.

The Davangere University has introduced SEP system in all the affiliated colleges. As such our college has adhered to this system. Instead of annual examinations at the end of the every year, one semester examinations after every four months is conducted besides conducting tests, seminars etc., internal assessments and qualitative teaching is imparted.
