The Beautician Certificate Course For the Academic Year 2016-17

Assessment of the beautician certificate course

The Beautician Course has been introduced by the college in order to ensure the students to complete the beauty professional standard to meet the needs in the terms of knowledge, skills and professionalism which are required them to become a competent person.

This Beautician certificate Course is conducted in the Academic year 2016-2018 for 30 Students who are interested to do this certificate course. The duration of this course is Scheduled for 90 Days(3 Months).

The Beautician Certificate Course will be helpful to the Students to get qualification to run Beauty Parlour business after graduation The students are required to complete the course via two stages.

I Stage: In the first stage the theory will be taught under the following programmes.

- (9) Beauty and facial makeup consultancy
- (10) Behaviour and communication with clients
- (11) Safe working practices.
- (12) Professionalism and values

II Stage: In the second Stage the practical trainings will be given in the following programmes.

- (7) Beauty Therapy
- (8) Nail Services
- (9) Hairs dressing and Hair Cutting

In the practical training the Beautician (Teacher) will show demo on the following

- (i) Eye bro Shaping through threading
- (j) Haircuts, Hair dressings
- (k) Pedicure and Manicure

(D) Facial, Bleach and Makeup

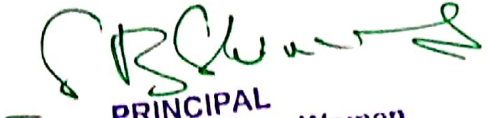

All these are demonstrated by the course teacher

The Course Students are instructed to do home work by conducting their beauty treatments on family members, friends or neighbours. Which may become practice to acquire beautician skills?

And also the course students are given instructions to conduct skin sensitivity testes especially on skin therapy and beauty treatment shall be conducted, what type of creams are used for applying to different kinds of skins, like oily, dry of combination of both.

All the above training skills can be evaluated by questioning listening, visual manual and also through written testing. All these techniques will be used for assessment. The practical test ensures the apprentices to acquire skill in beauty treatment on client and also commercial practice.

Finally the Course aimed at creating the eligible students to register as a professional beautician and to carry on the business by opening beauty parlours of their own and earn money. This encourages them to be secured Financially and empowered equally in the society.

2016-17

Basic Computer Course

Summary Report:

The course introduces you to fundamental 'Computer Literacy' concepts. You will learn to use Windows on the PC-compatible computers as well as MS Office, which has the following applications: word processing program (MS Word), a spreadsheet program (MS Excel), a presentation program (MS PowerPoint) and Database (MS Access). Windows 7 will be used to illustrate operating system concepts and disk organization. This class is intended for students requiring 'hands-on' knowledge of computer applications.

Course Objectives:

1. Give students an in-depth understanding of why computers are essential components in business, education and society.
2. Introduce the fundamentals of computing devices and reinforce computer vocabulary, particularly with respect to personal use of computer hardware and software, the Internet, networking and mobile computing.
3. Provide hands-on use of Microsoft Office applications Word, Excel, Access and PowerPoint. Completion of the assignments will result in MS Office applications knowledge and skills.
4. Provide foundational or "computer literacy" curriculum that prepares students for life-long learning of computer concepts and skills. Completion of course fulfills pre-requisite to enroll in other computer science courses required for a certificate.

YEAR – 2016-17

Spoken English Certificate Course – Summary Report

Language is our Primary Source of Communication. It is the method through which we share our ideas and thoughts, with others, language is a dress of thought. Language plays a multi-faceted role in the present modern society. Unfortunately language has become signifier of one's personality and status. It is a universal language of communication across the world. It unites people of different communities, countries and languages.

It helps them to speak spoken English properly, as they face no communication issues while studying in abroad or communicate with foreigners. They have bundle of opportunities in multi-national companies. It builds confidence and improve their mental ability. So parents should enroll, their children in English speaking course to provide various advantages that the language offers. English is the universally accepted language for trade and commerce. So we require practice and patience to learn English. Knowledge of English is necessary if one wants to come up in life.

It is a programme of 90 days duration and 30 Students who have participated are really inspired and get self-confidence among themselves.

Uses of Spoken English Classes to the Students

- Learning English Spoken Classes could be beneficial in all aspects of students life.
- It can help them to speak correct English with full of speaking fluency.
- English communication increases their knowledge and improves their mental abilities.
- To enable them to get mastery of English, stress and intonation and sentence structure.
- To acquire mastery over vocabulary.
- Students will attain and enhance competence in four modes of literacy: Listening, Speaking, Reading and Writing.
