ANGANWADI..

Kendra...

Introduction :- Our Students with Anganwadi Staff.

Anganwadi is a type of rural child care centre in India. They were started by the Indian govt in 1975 as part of the Integrated child development service programme to combat child hunger & malnutrition. Anganwadi means "Courtyard shelter" in Indian languages.

Our students interacting with children

Under How many services provided
J.C.A.S. :-

The J.C.A.S. Scheme offers a package of six services, viz. Three of the six services viz, Immunization, Health services, as provided through national health mission & public health infrastructure.
